Qatar International First For Electro Mechanical

# COMPANY PROFILE

QATAR INTERNATIONAL FIRST FOR ELECTROMECHANICAL

# Company Overview

---

## Pioneering Electro-Mechanical Excellence in Qatar

Qatar International First for Electromechanical (QIFEM) has established itself as a leading force in Qatar's electro-mechanical sector. With a commitment to innovation and excellence, we deliver comprehensive solutions across **HVAC systems**, **Water systems**, **Smart metering**, and **Water treatment** services to meet the evolving needs of Qatar's dynamic infrastructure landscape.

Our expertise spans from residential to large-scale commercial and industrial projects, positioning QIFEM as a trusted partner for quality and reliability.

# Organizational Chart

QATAR INTERNATIONAL FIRST FOR  
ELECTROMECHANICAL

# Our Mission

At QIFEM, our mission is to deliver excellence in electro-mechanical solutions across Qatar and the region. We are committed to providing superior quality products, innovative engineering solutions, and reliable services that exceed our clients' expectations. Through continuous improvement and dedication to craftsmanship, we aim to be the trusted partner for all electro-mechanical needs.

**23+**

Years of Excellence

QATAR INTERNATIONAL FIRST FOR ELECTROMECHANICAL

# Core Values

At QIFEM, our core values define who we are and guide every decision we make. These principles form the foundation of our commitment to delivering exceptional electromechanical solutions across Qatar, ensuring we maintain the highest standards in everything we do.

## Integrity & Excellence

We conduct business with unwavering honesty and transparency, striving for excellence in every project. Our commitment to quality ensures superior results for all stakeholders.

## Innovation & Safety

We embrace cutting-edge technologies and creative solutions while prioritizing safety in all operations. Customer focus and sustainability drive our continuous improvement.

# Accreditations

**QCS MANAGEMENT PVT. LTD.**  
MANAGEMENT SYSTEMS CERTIFICATION

## Certificate of Registration

**Awarded to:**  
**ISO 9001:2015 (Quality Management System)**

The Quality Management System has been assessed successfully and found to comply with the requirements of the international standard

QIFEM CAPABILITIES

# Areas of Expertise

QIFEM delivers comprehensive electro-mechanical solutions across six core domains: HVAC Systems, Water Systems, Smart metering, Noise Control, Smart Cities Solutions, and Water Treatment.

Our integrated approach combines cutting-edge technology with decades of regional expertise to meet Qatar's most demanding infrastructure requirements.

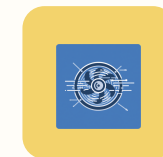

QIFEM PRODUCTS

# HVAC Solutions

Air Conditioning

**Complete AC systems for optimal climate control**

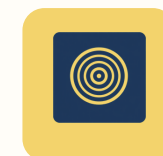

Air Ventilation

**Advanced ventilation for fresh, healthy air**

Air Curtains

**Energy-efficient barrier solutions**

Air Terminal Units

**Precision air distribution and control systems**

QIFEM HVAC SOLUTIONS

# Our Products

Air Filtration

**HEPA filters, activated carbon systems, and industrial air purification**

Chilled Water Equipment

**Chilled Water Pumps, Expansion Tanks, Air Handling Units & Fan Coil Units**

Kitchen Extract Treatment

**Grease filtration, UV-C treatment, and odor control systems**

Water Heating

**Commercial water heaters, heat pumps, and pacemaker central**

## QIFEM PRODUCTS

# Advanced Systems

QIFEM delivers cutting-edge technology solutions that enhance building performance and urban infrastructure. Our advanced systems integrate seamlessly with modern architecture, providing intelligent control, energy optimization, and sustainable solutions for Qatar's evolving smart city landscape.

### Noise Control Systems

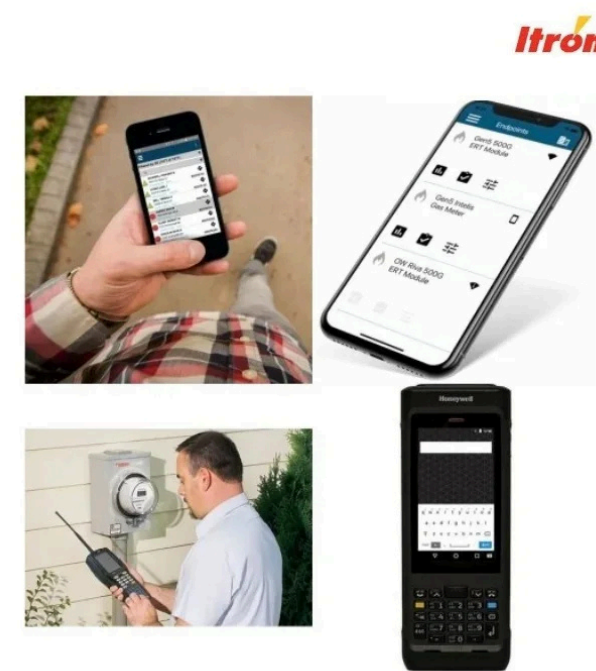

Comprehensive acoustic solutions including vibration isolation, sound attenuators, and noise barriers that ensure optimal comfort in commercial and residential environments.

### Smart Metering & Smart Cities

IoT-enabled smart metering systems and integrated urban solutions that support Qatar's vision for intelligent, connected cities with real-time monitoring and data analytics.

QIFEM PARTNERSHIPS

# Our Trusted Brand Partners

QIFEM proudly partners with world-renowned manufacturers including Nuair, Cook, Atlantic, Flamco, Ruud, Kinetics, and Itron. These strategic alliances enable us to deliver cutting-edge electro-mechanical solutions backed by global expertise and uncompromising quality standards.

## QIFEM PARTNERSHIPS

# Our Trusted Brand Partners

QIFEM has established strong partnerships with world-leading manufacturers in the electromechanical industry. These collaborations enable us to deliver cutting-edge solutions and premium quality products to our clients across Qatar.

The logo for nuaire, featuring the word "nuaire" in a blue, lowercase, sans-serif font with a blue swoosh above the letters.The logo for COOK, featuring a red square icon with a white fan-like shape inside, followed by the word "COOK" in a bold, black, uppercase, sans-serif font.The logo for atlantic, featuring a colorful circular icon with red, blue, and green segments, followed by the word "atlantic" in a lowercase, sans-serif font.The logo for Flamco, featuring a red square icon with a white fan-like shape inside, followed by the word "Flamco" in a bold, black, uppercase, sans-serif font.The logo for RUUD, featuring the word "RUUD" in a bold, black, uppercase, sans-serif font with a red swoosh underneath.The logo for BERNER AIR CURTAINS, featuring a blue square icon with a white fan-like shape inside, followed by the word "BERNER" in a bold, blue, uppercase, sans-serif font and "AIR CURTAINS" in a smaller, blue, uppercase, sans-serif font below it.The logo for KRUEGER, featuring a square icon with a grid pattern, followed by the word "KRUEGER" in a bold, black, uppercase, sans-serif font and "Excellence in Air Distribution" in a smaller, black, uppercase, sans-serif font below it.The logo for VIP, featuring a stylized "V" and "I" in blue and red, followed by the letters "IP" in a bold, red, uppercase, sans-serif font.The logo for KINETICS Noise Control, featuring a black waveform icon, followed by the word "KINETICS" in a bold, black, uppercase, sans-serif font and "Noise Control" in a smaller, black, uppercase, sans-serif font below it.The logo for STOUR FLEX, featuring a stylized "S" and "F" in red and black, followed by the word "STOUR" in a bold, black, uppercase, sans-serif font and "FLEX" in a bold, red, uppercase, sans-serif font below it.The logo for EnviTec Corporation, featuring a blue globe icon, followed by the word "EnviTec" in a bold, blue, uppercase, sans-serif font and "Corporation" in a smaller, blue, uppercase, sans-serif font below it, and the tagline "Meeting the World's Technology Needs" in a smaller, black, uppercase, sans-serif font at the bottom.The logo for Fti, featuring a square icon with the letters "Fti" in a bold, black, uppercase, sans-serif font, followed by the text "Filtrotecnica Italiana" in a smaller, black, uppercase, sans-serif font.The logo for Itron, featuring the word "Itron" in a bold, red, lowercase, sans-serif font with a yellow lightning bolt above the letter "i".The logo for ELSACO ELECTRONIC, featuring a blue square icon with a white fan-like shape inside, followed by the word "ELSACO" in a bold, blue, uppercase, sans-serif font and "ELECTRONIC" in a smaller, blue, uppercase, sans-serif font below it.The logo for HiRef, featuring a blue square icon with a white fan-like shape inside, followed by the word "HiRef" in a bold, black, uppercase, sans-serif font.The logo for LANSSEN, featuring the word "LANSSEN" in a bold, orange, uppercase, sans-serif font.

**QIFEM ACHIEVEMENTS**

# Major Projects

## Installations Across Qatar

QIFEM has successfully delivered electro-mechanical solutions for Qatar's most prestigious developments. Our portfolio includes major commercial complexes, healthcare facilities, educational institutions, and critical infrastructure projects. From FIFA World Cup Stadiums to industrial facilities, we have consistently demonstrated excellence in HVAC installation, water heating systems, and smart building solutions.

QATAR INTERNATIONAL FIRST FOR ELECTROMECHANICAL

# Major Projects

## Delivering Excellence Across Qatar

QIFEM has successfully completed numerous high-profile projects across diverse sectors. Our portfolio includes Hamad International airport advanced HVAC systems, Sidra Hospital climate control infrastructure, Qatar National Museum's precision ventilation, and multiple government ministry buildings. We've also delivered solutions for Mshereib Downtown Doha and residential comfort systems for luxury developments throughout Doha.

QIFEM WATER TREATMENT

# Water Treatment Branch

QIFEM's Water Treatment Branch delivers comprehensive water solutions across Qatar, specializing in desalination, Wastewater Systems, advanced filtration, purification, and treatment systems. Our expert team designs and implements customized water management solutions for industrial, commercial, and residential applications, ensuring the highest standards of water quality and sustainability.
